What We Do

Empowering Odisha's tech ecosystem through community, knowledge, and innovation

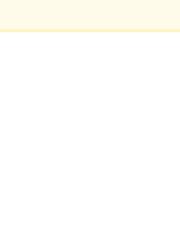

Thought Leadership

Sharing insights, trends, and innovations in technology through our blog and community discussions.

Community Events

Organizing workshops, hackathons, and networking events to bring tech enthusiasts together.

Ecosystem Growth

Fostering innovation and supporting startups to build a thriving tech ecosystem in Odisha.

Founders Way

A journey from idea to impact — where innovators, dreamers, and doers find their path to build the next big thing.

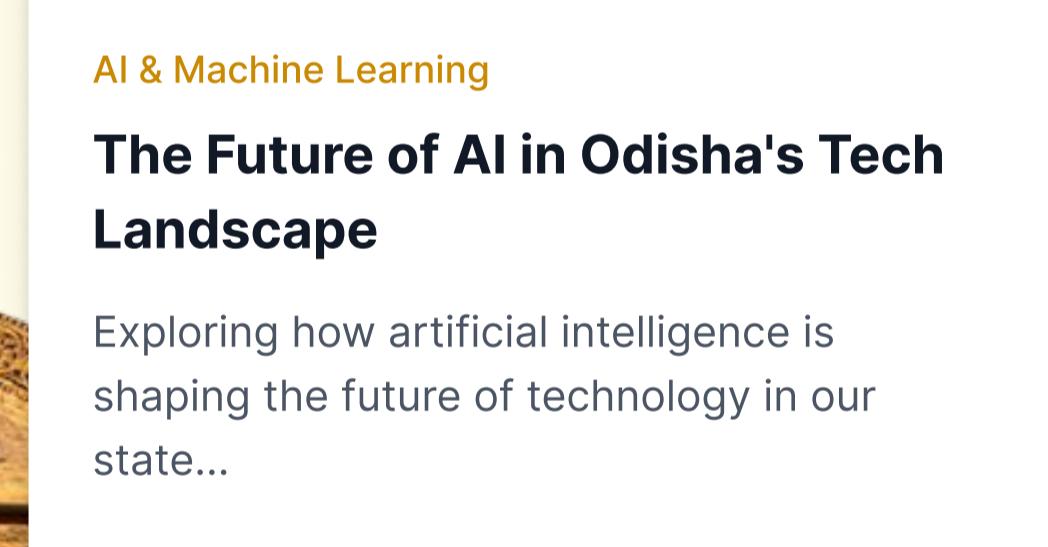

University Partnership

Engaging universities in dynamic collaborations — from coding hackathons to career networking — shaping future-ready talent.
